***Re: Commonwealth Edison Company, Petition for approval of delivery services
tariffs and tariff revisions and of residential delivery services implementation
plan, and for approval of certain other amendments and additions to its rates,
terms and conditions
ICC Docket No. 01-0423***

Dear Ms. Caton:

Enclosed please find the original Draft Proposed Order of AES NewEnergy, Inc., Blackhawk Energy Services, L.L.C. and Enron Energy Services, Inc. pertaining to the above-captioned proceeding.

Please note that while this Draft Proposed Order only discusses "Solution Option Two" in our Initial and Reply Briefs, the ARES Coalition continues to believe that "Solution Option One" is the more preferable approach. Additionally, given the ease of implementing Solution Option One, providing a Draft Proposed Order for that solution did not seem necessary or appropriate. Furthermore, failure to include in the Draft Proposed Order a specific argument that is made in the testimony or briefs of the ARES Coalition should be construed as a waiver of that argument.
